

Faculty of Engineering,  
University of Ruhuna,  
Galle.

Dear Sir/Madam,

**10th Anniversary Celebration – Engineering Exhibition at Faculty of Engineering, University of Ruhuna.**

The Faculty of Engineering, University of Ruhuna is celebrating its 10th Anniversary in March 2010 as the youngest Engineering Faculty in Sri Lanka. To celebrate this landmark event we are organizing an engineering exhibition from 26th to 28th March 2010, open from 10.00 a.m. to 6.00 p.m. each day, to publicize our achievements during the past 10 years.

The exhibition will display past and current undergraduate projects, schools projects, industry display stalls and entertainment for the visitor. An island wide robot competition and display of military exhibits related to the field of engineering are being organized parallel to the exhibition.

This is a promising and great experience for everyone interested in the field of engineering. We hope you will come to view the exhibition and encourage us to develop the talents of students and join us celebrate the 10th Anniversary of our Faculty.

Thank you.
