## CALL FOR PAPERS

### RUHUNA UNIVERSITY JOURNAL OF SOCIAL SCIENCES

Ruhuna University Journal of Social Sciences (RUJSS) as a peer-reviewed journal is intended to be published twice a year by the Department of Economics, University of Ruhuna. Objective of the peer-review process is to ensure that high quality scientific research is published in RUJSS. The second issue of the journal is expected to be launched in November 2014

The main aim of the journal is to provide a platform for scholars, academics, researchers and professionals to publish their research papers covering any of the following areas:

Economics	Political Science	Social Statistics
Sociology	Anthropology	Geography
Library Science	Psychology	Education
Media studies	Development studies	

RUJSS intends to publish articles written based on all aspects of theoretical, empirical or case-based research and it opens to all contributions from the above fields, highlighting recent developments in the respective area.

### Guidelines for Authors

- Authors can submit their manuscripts, prepared adhering to following guidelines in soft-copies (in Microsoft Word File=.doc or .docx) to [rujofss@gmail.com](mailto:rujofss@gmail.com). Articles submitted before **30<sup>th</sup> of September 2014** will be considered for publication in the second issue of the journal.
- It should be ensured that the manuscripts are originals neither published no under consideration for publication elsewhere

- The journal only accepts manuscripts written in English. The length of the paper should not exceed 25 pages.
- The abstract should be concise and factual with maximum (250 words). Provide a maximum of 5 keywords that best describes your research paper.
- Divide the article into clearly defined and numbered sections. Subsections should be numbered 1., 2. (then 1.1, 1.1.1, 1.1.2), 1.2, etc
- **Citations and References:** Guidelines specified in the **Publication Manual of the American Psychological Association** (5th edition, 2001) must be followed.

A consolidated alphabetical list of all books, articles, essays and theses referred to (including any referred to in the tables, graphs and maps) in the text should be provided at the end of the article.

References for tables and figures should accompany the table or figure. If more than one publication by the same author is listed, the items should be given in chronological order. References should be embedded in text in the author-date method of citation. For example: (Konhert, 2007, p. 12), (Kannabiran et al., 2008, pp. 175–200).

The detailed style of referencing is as follows:
