

Calling Applications for Postgraduate Opportunities at Youngstown State University, (YSU), Ohio in USA.

UoR has signed an MOU with Youngstown State University (YSU), Ohio in USA. Under this MOU, we are planning to offer two full scholarships for two graduate students in STEM subject stream (Science, Technology, Engineering and Mathematics) of UoR for an M.Sc. Program at YSU.

Two graduates with excellent academic records and extracurricular activities, but economically underprivileged will be selected for this scholarship program. This program will be developed into a split MSc program with time.

UoR graduates from the years 2021 and 2022 in STEM streams are eligible to apply. Obtaining Duolingo English Test (DET) qualification or IELTS or TOEFL is a prerequisite at the final selection process.

Five applicants will be shortlisted by UoR after screening the applicants' credentials and through an interview conducted by an internal panel. Final selection will be conducted by YSU members to offer the two scholarships for two applicants. Hopefully, this program is scheduled to be implemented in December 2022.

Eligible applicants can send the duly filled application form (attached herewith) to vc@admin.ruh.ac.lk on or before 18th November 2022.
